E-FRATERNITIES
resting Figures in Regard to
There
be're some statues showing the
the various fraternities as regards
and are expected in social circles,
these statues have been erected in
and below we believe they are
one a number of fraternities
by individual members but not
the later are given below:
Resident Graduates, In Faculties
Undergradautes, Session 2;
Fresno 3; Total Under-1.
Resident Graduates, In Faculties
Art, 4; Undergradautes, Session 2;
Sophomores 5; Fresno 7; Total 14.

Sophomores 5; Fresno 7; Total 14.

Sibley College.
We publish the following as another example of the thoroughness and ease of details which is so evident in the new regime at Sibley:
The Senior class will be present
Professor of Mechanical Engineering,
the College, at the dinner given in their
residence before our issue, and in
an excellent manner of the title
of the dinner party, when the Academic
be considered, and to some extent stu-
ted to this effect; but both may be subject
to change, with the approval of the Director.
Sibley College, and the
in a general manner.

Professor Pedie's Lectures.

Professor C. S. Pfeffer will lecture before the
the frontispiece of the Engineers' Building to move at a later time;
subject

Professor Pedie before the mechanical semi-
trium of the dinner party, and perhaps at a
later date, when the Committee on
interests of the Institution may be given at the
session, or in a general manner.

The subject is to be on interests of the
the dinner party, and perhaps at a
later date, when the Committee on
interests of the Institution may be given at the
session, or in a general manner.
