The Nation.

Sept. 21, 1890.

The Nation is a weekly American literary and political magazine founded in 1865. It is known for its editorial independence and commitment to intellectual engagement. The magazine has been a platform for a wide range of political and cultural perspectives, often critical of government policy and influential in shaping public opinion. Over the years, it has published contributions from many notable figures, including Ralph Waldo Emerson, William James, and Upton Sinclair.
