The World's Injustice: The United States and the Philippines

The United States has been criticized for its treatment of the Philippines, but the Katipunan revolutionaries were not innocent either. The Katipunan leaders had their own agenda and were not willing to negotiate. The United States had to act in self-defense, and the Katipunan leaders had to be dealt with firmly. The United States was not responsible for the Katipunan revolutionaries' actions, but it had to ensure that American interests were protected.
